Tuya Smart

KG/M 0,5

Profile in silver-grey, black, gold and white painted anodized aluminum, cut to measure on your needs. Excellent profile for visible installations, or for lighting environments with housing in perimeter veils, to direct the light upwards or towards the interior of the room, obtaining excellent light reflection without any loss, thanks to the 45° inclination of the light. Cover in opal polycarbonate. Supplied for installation complete with closing caps, opal cover and clip. With the profile we can also supply LED strips with white light or RGB+W, with the appropriate power supplies depending on the power and type of LEDs inserted.
