Telecomando a RF / RF remote control

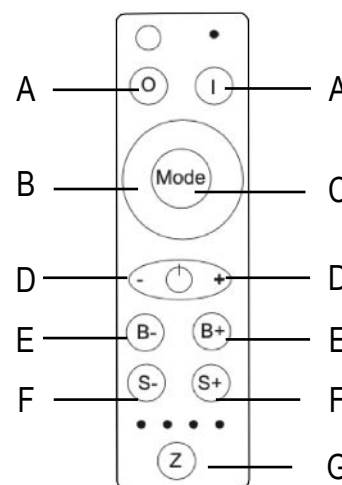

FUNZIONI / FUNCTIONS

TELECOMANDO A RF

- ON/OFF pulsanti "O" e "I" (A)
- Selezione singolo colore tramite "anello touch" (B)
- Selezione programmi "Mode" (C)
- ON/OFF "W" luce bianca e regolazione intensità di luce "-" e "+" (D)
- Regolazione intensità di luce di tutti i colori "B-" e "B+" (E)
- Regolazione velocità rotazione programmi "S-" e "S*" (F)
- Regolazione frequenze radio telecomando per controllo differenti aree (G)

RF REMOTE CONTROL

- ON / OFF buttons "O" and "I" (A)
- Single color selection via "touch ring" (B)
- "Mode" program selection (C)
- ON / OFF "W" white light and light intensity adjustment "-" and "+" (D)
- Light intensity adjustment of all colors "B-" and "B+" (E)
- Program rotation speed adjustment "S-" and "S*" (F)
- Remote control radio frequency adjustment to control different areas (G)
